

## **Weekly Games - Big 5 Daily Game Scoring Rules**

1. If you pick up (x out) on a game hole you are **out of the game that day.**
2. If you pick up (x out) on a non game hole you are **still in the game that day.**
3. You must declare if you are in or out of the game before play starts.
4. If you pick up (x out) on any hole you are **out of the monthly low net that day.**
5. It is usually best to play out all holes unless it is a hopeless situation

## **Winter Rules**

When the "cart path only" rule is in effect on any holes (for weather reasons), players may lift, clean, and place their ball from tee to green.

## **Eligibility**

1. Regular members must have an established index to compete in regular weekly and major club tournaments. Social members can play on regular game days but cannot compete in the game or major club tournaments.
2. Five (5) rounds of golf are needed to establish an index.
3. Members are only allowed to compete in regular weekly and major club tournaments during the calendar year of their membership.

## **Tournaments**

1. Weekly prize money not picked up within three months will be put in a tournament slush fund.
2. Members may bring guests to play in weekly tournaments but guests may not compete for weekly prizes.
3. The full amount of money budgeted for special tournaments will only be disbursed if number of participants is at least 25% of current membership; otherwise funds will be prorated.
4. Only golfers playing in the Annual Invitational Tournament are eligible to receive free raffle tickets for door prizes. Volunteers may receive tee prizes.

## **Posting**

1. Every acceptable score (played under the Rules of Golf) is required to be posted even if you do not participate in the Game of the Day.
